EDUCATION

- The University of Chicago**
Sep. 2015 - Present
B. Sc. Neuroscience
Cumulative GPA: 3.85/4.00
- Sewickley Academy**
Sep. 2011 - Jun. 2015
High School Student
Cumulative GPA: 3.91/4.00
SAT: 2360/2400, ACT: 35/36

EXPERIENCE

- Accenture**
Jun. 2017 - Sep. 2017
Summer Technology Analyst
Used Angular2 and React to build the front-end of several client demo applications, one of which helped close an \$80 million deal. In addition, wrote functional tests using Cucumber and Selenium, and unit tests using Jasmine. Lastly, built microservices using Java Spring Cloud and Netflix OSS stack.
- Inventory Connection**
Jun. 2016 - Jun. 2017
Full Stack Designer/Developer
Designed the company's flagship application in Sketch, then built it using HTML, CSS, jQuery, and .NET.
- UPMC Children's Hospital**
Jun. 2014 - Aug. 2015
Volunteer Researcher
Wrote various bash and Python scripts to analyze MRI data.
- St. Mary's Coptic Church**
Jun. 2014 - Aug. 2015
Information Technology Volunteer
Built and maintain <http://stmarypittsburgh.org/> using HTML, CSS, and jQuery. Also installed and maintain all technology.

SKILLS
